

## **High-Level Event on Accelerating Climate Action**

### **I. Background**

In accordance with the mandate contained in the decision 1/CP.21, paragraph 120, the High-Level Event on Accelerating Climate Action will provide an opportunity to:

- Further strengthen high-level engagement on the implementation;
- Announce new or strengthened voluntary efforts, initiatives and coalitions;
- Report the progress made by new or strengthened voluntary efforts, initiatives and coalitions;
- Engage dignitaries of Parties, international organizations, international cooperative initiatives and non-Party stakeholders.

The high-level champions wish to provide a space for all those engaged in implementing action before 2020, which supports the objective of the Convention and the aims of the Paris Agreement, to share success, lessons learned, and best practices. Hence, allowing to identify potential synergies in their activities and to catalyze greater ambition and accelerate the pace of implementation.

The High-Level Event will take place on Thursday, 17 November 2016 and will be the culmination of a series of thematic action events, aiming to demonstrate the progress achieved in the implementation since COP 21. It will be moderated by Ms. Hindou Oumarou.

### **II. Outline of the High-Level Event (10:00–13:00) Plenary Casablanca**

#### **A. Opening ceremony**

The High-Level Event will be opened by dignitaries from the Kingdom of Morocco and other Parties and Secretary General of the United Nations. The opening will establish the vision for the event and emphasize the urgency of accelerating actions before 2020 to address climate change.

#### **B. Recognizing progress and identifying opportunities**

The high-level champions will present the concept of the High-Level Event and the outcomes and announcements of the thematic days.

##### **Session 1: Nature-based solutions**

This segment will build upon the outcomes of the thematic action events on forests, water, oceans, agriculture, and food security. It will highlight the role of nature and nature-based solutions in both adaptation and mitigation.

A representative of each thematic event will present the outcomes of the respective event to a panel with the following speakers

- Mr. Manuel Pulgar Vidal (WWF)
- Mr. Jeff Seabright, Chief Sustainability Officer, Unilever
- H.E. Ms. Catherine McKenna (Minister of Environment Canada)
- H.E. Mr. Stephane le Foll (Minister of Agriculture – France)
- H.E. Mr. Aziz Akhenouch (Minister of Agriculture – Morocco)

### **Session 2: Sustainable infrastructure**

This segment will build upon the outcomes of the thematic action events on industry, energy, transport and cities and human settlements, and will highlight the importance of immediate investments in sustainable infrastructure in delivering on long-term goals for adaptation and mitigation.

A representative of each thematic event will present the outcomes of the respective event to a panel with the following speakers

- Mr. Nicolas Stern (Commissioner, New Climate Economy)
- Mr. Peter Bakker (CEO, WBCSD)
- Ms. Jacqueline Novogratz (CEO ACUMEN)
- H.E. Ms. Amina Mohamed (Minister of Environment, Nigeria)

### **C. Providing and mobilizing finance**

This segment will provide a recap of pledges and announcements made during the thematic action events by high-level public and private finance representatives.

### **D. The way forward**

The high-level champions and the UNFCCC Executive Secretary will present “A Way Forward to Accelerate Global Climate Action”. The way forward will address all those engaged in climate action: Parties and non-Parties. It will summarize the champions’ recommendations based on the consultations held during 2016 and also address their proposed approach for accelerating climate action in the period 2017–2020.

Closing remarks will be made by the Presidents of COP 21 and COP 22.

### **III. Follow-up working sessions (afternoon – time and venue to be confirmed)**

In order to accelerate implementation of the identified opportunities, the plenary session of the High-Level Event will be complemented by high-level working sessions. Champions have invited Parties, non-Parties and international organizations to organize these sessions and are currently working on the programmes. More information on these sessions will be provided on the UNFCCC website.
