

A peer-to-peer support process

to facilitate improved Water Framework Directive and Floods
Directive implementation

Status of implementation

Europe-INBO conference, Oct 19, 2018

Purpose of the peer-to-peer support

The **objective** is to set up a simple, voluntary and targeted system to allow mutual learning between peers about WFD and FD implementation.

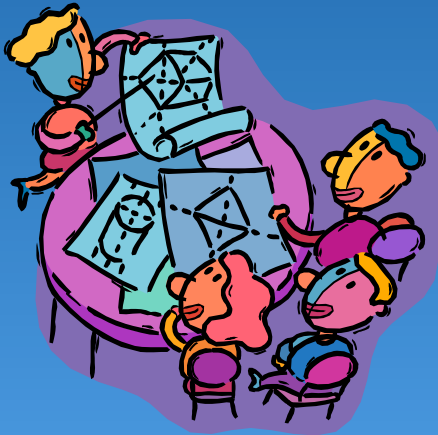

Who ?

Practitioners from River Basin Districts involved in the implementation of the WFD and FD.

The peer-to-peer support

How ?

Expression of interest to the secretariat to receive a peer review mission on the one side and volunteer reviewing experts on the other side

Preliminary exchanges for the preparation of precise Terms of References including match – making procedures to propose Reviewing Experts to Receiving Competent Authorities (RCAs) and online preparatory meeting gathering the mission participants

Organising the Peer Review mission in the receiving Competent Authority in line with the Terms of References

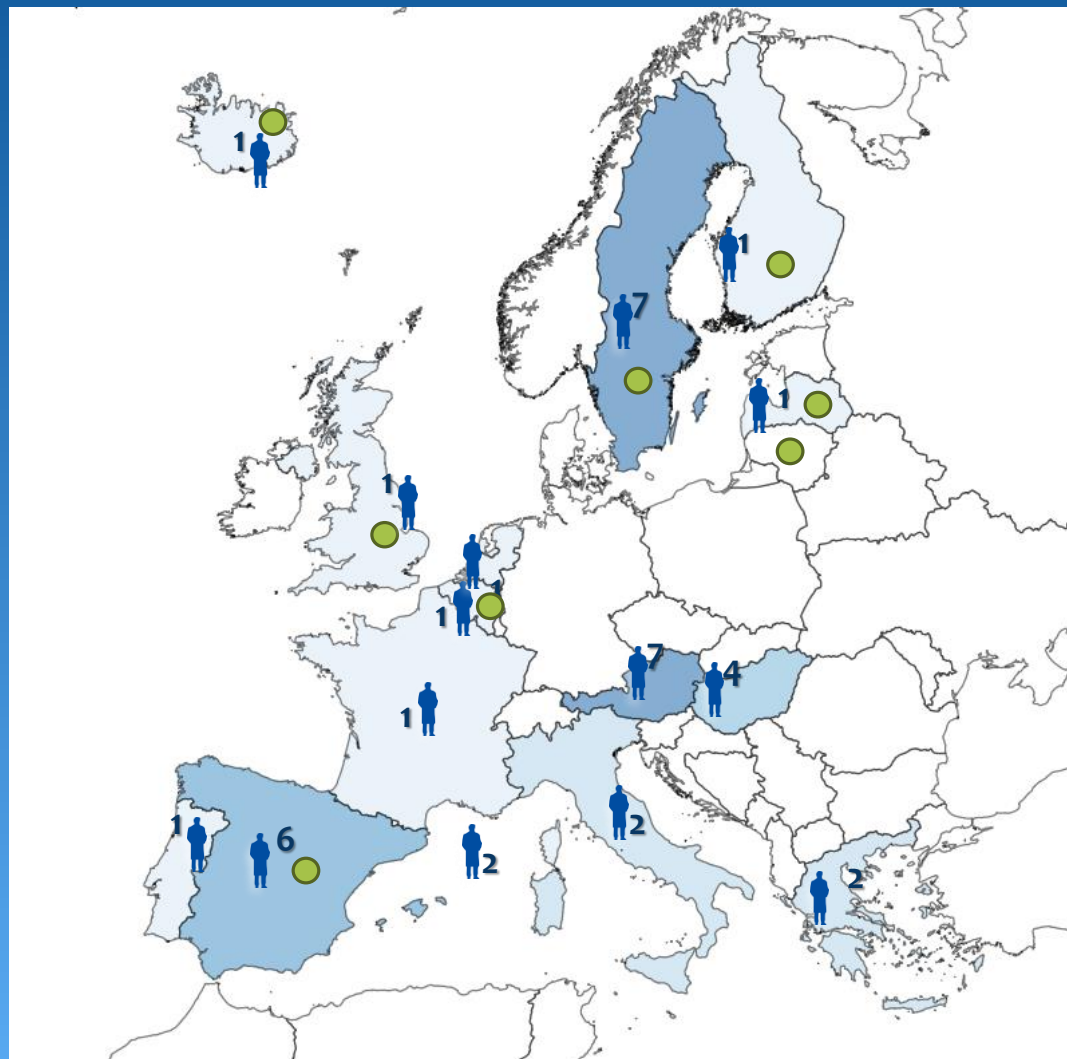

Reports on lessons learnt and tips

Webinars / online Workshops

Geographic distribution

● 8 potential Expressions of Interest from 8 Countries

● 36 Potential reviewing experts from 14 Countries

The next planned activities:

- ❑ **Detail the ToRs** with the RCAs that have declared their interests;
- ❑ Organise the **identification of Experts** through a match-making process;
- ❑ Launch the **first Peer-to-Peer missions**, end of Spring / Summer 2018;
- ❑ Identify **the potential topics** for complementary mechanisms (webinars), Fall 2018.

Contacts

[/www.aquacoope.org/peertopeer](http://www.aquacoope.org/peertopeer)

Experts who are interested in participating to the peer review can already send their CV (Europass format) to: peertopeer@oieau.fr

and fill-in the completed “Expert Profile Form”

Competent Authorities (CAs) who want to work with reviewers can send the completed "review request form" to peertopeer@oieau.fr
