The screenshot shows the ICPDR website homepage. At the top, there is a navigation bar with the ICPDR logo and name in both English and German. Below the logo, there are links for "Danube Basin +", "ICPDR +", "Issues +", "Activities & Projects +", and "Publications +". A search bar is also present. The main content area features three news items:

- Public Consultation on Draft Management Plans 2015**
Vienna, 17 December 2014. The Danube River Basin Management Plan Update 2015 and the 1st Flood Risk Management Plan for the DRB are published here. The public is called to provide comments on these drafts until 22 July 2015.
